

I.  
Climate justice. Now, right now!  
Let's just do it. I'll tell you how.  
Hello sunshine! Wind, hello!  
Bye-bye nukes! Bye-bye coal!

Chorus:  
Back to nature, back to green,  
Back to BIO\*, you know what I mean.  
Rise up, spread your wings,  
Our Revolution begins.

II  
Stop pollution. Find the way.  
Fridays for Future - everyday!  
Save the oceans! Save the Planet!  
We'll not stop until we've done it!

Chorus:  
Back to nature, back to green,  
Back to BIO\*, you know what I mean.  
Rise up! Spread your wings!  
Our Revolution begins (3x).

\*Bio - German word for "organic".
